RE: ROOM, EQUIPMENT & RESOURCE SCHEDULING

We are all aware of the increased use of our facility, and as administrator for most of the scheduling, I would ask you to be aware of several things all of which are equally important:

1. All activities or meetings must be scheduled and reserved. Please remember — for all groups using St. Paul building facilities — an adult member (21 years of age) of St. Paul congregation must be in attendance during the entire activity/meeting. (Registration forms are available in the church/school office.)
2. Please check the calendar prior to reserving areas to avoid possible conflicts. If you are unable to check the calendar yourself (online at calendar.splgrafton.org), feel free to call the reception secretaries at the office, 377-4659, and they will be happy to help you during office hours.
3. Person or group requesting the Family Life Center Kitchen MUST have taken the kitchen training course. Contact the business manager for more information.
4. Group activities (scouts, clinics, sports, etc.) must have a connection to a St. Paul member. Please ask to see the policy for the appropriate area of the facility. If children come along they MUST stay with parent(s)/adult(s).
5. **All reservations must be re-made each year after July 1.**
6. Priority will be given to a group that needs the area most. (Not necessarily first come, first serve basis.) With some cooperation, everyone can still be accommodated.
7. No tape on walls, doors, ceilings or windows, or light fixtures. Only tape approved by maintenance department may be used on gym or other floors.
8. If a key or fob is needed, please contact the church/school office. After your function, return key/fob by placing it in the drop box by the reception office door. (It must be returned by the following day.) If the fob or key is lost, you will be charged for the lost item and for any locks that need to be re-keyed. You are also responsible to make sure all outside doors are locked before leaving the premises.
9. Areas used are expected to be cleaned. If area is not cleaned and these rules are not followed, the Board of Parish Properties will decide if that group is eligible for future use of our facility.
10. No skates, roller blades, skateboards, bicycles, etc. are allowed in school or school. No animals are allowed unless approved by special circumstances such as service animals.
11. Questions? Please ask. Do not assume.
