

NEW SPRING BIBLE STUDIES

Beloved Dust Begins Sunday, April 22 at 1:30pm (Front Conference Rm) Join Kim and Carl Butz for a new Bible Study, "Beloved Dust." This study takes a look at age-old myths about prayer, realities of who God is and who we are, as well as the relationship we were created to have with God. Come discover with us how God raised us from the dust to live in communion with Him.

Women's Bible Study Begins Sunday, April 22 at 5pm (Library) We will be utilizing the book "Ruth: More than a Love Story," by Elizabeth Ahlman. If you do not yet have the book, which can be ordered on Amazon, please come anyway! The story of Ruth is a wonderful picture of how God watches carefully over every little detail so His grace may come to fruition and fully abound. This history is just one link in a long chain of carefully orchestrated individual lives brought together for God to carry out His gracious plan for the redemption of the earth and all mankind. Join Rachel Nelsen and Kate and Erin Schmidt for this detailed look at Ruth.
