

## COSTUME LIST

### 2019 In the Image (K-2)

**Costumes** - The setting is a Sunday School classroom so kids are wearing normal clothes. To help the audience recognize the different characters/personalities, we will use colors of shirts to identify them.

**For ALL K-2 Students: Please have your child bring to their teacher by Wed., Oct. 23 their shirt in a bag with their name on it. Then it will already be here for their performances on Friday.**

Bottoms (pants, leggings, skirts) - Dark color (black/dark navy)

Tops - Color that matches your child's character below.

\* We would prefer tops without words (except if it has a Christian saying, Bible verse, etc).

\* It does not have to be a solid color, but *mostly* the color assigned.

\* If your child doesn't have the color top they are assigned, try borrowing from a classmate, check out Goodwill or Family Sharing, or ask your child's teacher for help.
