Dear Friends & Members of St. Paul:

We are excited for the 2026 St. Paul Lutheran Golf Classic. Through the years, proceeds have been used to help purchase unbudgeted school needs such as new computers in the computer lab, student lockers, various curriculum and software programs as well as student aid funding through the Good Samaritan Fund. The proceeds from this year's outing will largely be used to help us continue funding various technology-related needs of our school.

We ask that you prayerfully consider participating in this year's event as a player, as a sponsor, as a donor or as a volunteer.

Thank you for helping us make this event a success and for your continued support of Christian education at St. Paul.
