

2 Pre-K Program

*“My mission is to help very young students to believe that they are **important, valued, and loved**; not only by those they interact with in the classroom, but most importantly by Jesus. A safe and positive classroom environment allows children to experience learning, develop confidence, and establish friendships. 2K students are introduced to early concepts through theme-based group and individual experiences. Daily opportunities for guidance and learning are also child-driven, as they experiment, explore, and ask questions about God’s world.” Mrs. Schumacher*
