

Dear beloved members and guests of St. Paul,

In the utmost of caution and in lieu of what the Federal/State levels are recommending and mandating, St. Paul will be cancelling public worship on Wednesday night (3/18/2020), for this weekend's services (3/21/2020-3/23/2020), and also for next Wednesday night (3/25/2020). All other events/activities are also cancelled.

We are working diligently to upload and digitally share with you the Word of God so that St. Paul may continue to proclaim Christ Crucified and Risen in the many days ahead.

Please understand that if you want to meet as Bible studies, they will currently need to be in someone's home or online.

We also want to reassure you that as soon as we can open our doors again, we will be one of the first churches to do so.

At the beginning of each week, we will be re-evaluating and determining our next steps and update you with communications.

In Christian love and care,

Pastor Scott Kruse (Senior Pastor)  
Randy Schultz (Head Elder)  
Andy Schwartz (Congregational Chairperson)
