Rooted in grace; bearing fruit with love.

Dear St. Paul members,

Thank you for your life in Christ at St. Paul and for your Christian patience as we continue to open in an orderly, manageable, and Christ-centered way that ministers to members/guests both physically and virtually.

Please sign up for one of our 12 Service of the Sacrament services to receive the Lord's Supper. You may sign up at www.splgrifton.org and click the "Service of the Sacrament Sign-Up" for a timeslot. These opportunities are this weekend (June 6-8) and next weekend (June 13-15). The Board of Elders is meeting Thursday, June 11th. More information will be shared after that meeting as to worship plans going forward.

Please bear with us just a bit longer online for the whole service/sermon and also how we are providing the Lord's Supper.

To watch the services, please visit www.splgrifton.org. There is a link that says "Click Here to Watch Worship Services" on the home page. St. Paul's services are also online via Facebook at facebook.com/SPLChurchGrafton. We have a staff member online at each of our service times interacting with you.

If you have any questions or comments please contact St. Paul at 262-377-4659. If you are not comfortable going out in public, please wait until you are ready and continue to watch us online. If you need a DVD of the services, please contact St. Paul.

Thankful for our unity in Christ!

The Board of Elders of St. Paul and Pastoral Staff.
