Notes:

- **St. Paul celebrates communion on the 1st & 3rd weekends of the month at all services.**
Elders and Pastors will be masked & gloved for preparation, consecration, and distribution of elements.
- **We are limiting indoor worship per service to 50% capacity.**
We are practicing social distancing and for indoor services we will use every other pew.
Prior to each indoor service, please note which color pews we will be using for that specific service.
Ushers & others will be wearing masks.
Please take bulletins home with you or throw them out after the service.
Pastors are not shaking hands.
- **If you are not comfortable going out in public please wait until you are ready.**
If you do not feel well, please refrain from attending and come when you are healthy. For both of these instances, please continue to watch us online. Our live-streaming equipment should be here at the end of October and we look forward to enhancing our online services as soon as possible in November. To watch the services, please go to splgraffton.org. There is a button on the right that says "Click Here to Watch Worship Services." St. Paul services are also online at facebook.com/SPLChurchGrafton and vimeo.com/splchurch.

If you have any questions or comments, please contact St. Paul.

Thankful for our unity in Christ!
