's Reading Log

A love of reading will be very important in our classroom. The best part about this homework? You're able to do it with your child! For every 20 minutes that is read at home - 2 Raz Kids books/week AND quizzes and then books of student's choice (independently or read with), have your child color a star. Students must complete 4 stars by Friday morning in order to earn their Reading Road Race Rally souvenir. Please keep this log in your child's take-home folder. Students will turn it in and receive a new log each Friday.
