All tuition payments for 2022-23 will be billed and received through our online enrollment and billing process (TADS). Various payment plan options will be available. The link to set up your account through TADS will be available on our website beginning January 15, 2022. Returning students will receive an email with a link to enroll.

HOT LUNCH payments will continue to be processed separately in house. No changes are being made to how lunch payments are received or processed.
