## Dear Parents,

Summer is almost here! Of course, with that comes the 2024 "Summer Reading Challenge!" Woo Hoo! We hope you can relax, learn and grow this summer!

Please have your child read for at least 20 minutes for each activity!

## Check this out:

Research shows the importance of reading 20 minutes/a day and a child's brain development! Reading is "brain food"! Reading helps in Language Development! Reading helps children to understand the world outside of their own! Reading improves relationships! There are just so many positives to reading just 20 minutes a day! Wow!!

## When you are finished with an activity, cross it out or put a sticker on it. YOUR CHILD NEEDS TO DO EYERY ACTIVITY TO COMPLETE THE 2024 SUMMER READING CHALLENGE!

After completing the reading challenge, they will be given a gift bag and be entered into book drawings!

Please return your Reading Calendar to Mrs. Willman the first week of school! If you have any questions, please contact Mrs. Willman at: jennifer.willman@splgrafton.org
