Growing Throughout Spring

My guess is that you have probably heard the phrase, "April showers bring May flowers". Throughout April, we think about the growth that is happening beneath the visible surface of our earth. Out of the four seasons we have, spring is always the one that is known for growth. The plants that have been sleeping throughout the cold winter come alive again and show their beauty in our otherwise gray landscape.

While I love seeing the growth on display outside in creation during the season of spring, I especially love seeing the growth inside our school here at St. Paul. One of the best parts of spring is looking back at the beginning of the school year, and seeing how far the students have come since they first began. The spring is when we, as teachers, look ahead to the next school year and make sure we prepare our students as much as possible for what lies ahead next year and beyond.

One of the beautiful things about being a believer is that this same growth continues all throughout our lives. It is not exclusive to nature, nor is growth just for the student moving from one grade to another. The Holy Spirit plants a seed of faith in our hearts, that, when nurtured, continues to grow throughout our lives as Christians. God is at work within us, guiding us so that we may continually grow in faith and trust in Him. We can also look back throughout our lives and think in awe and gratitude of all that God has brought us through and done within our lives.

2 Peter 3:18 states, "But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and to the day of eternity. Amen." May this season of spring serve as a reminder to nurture our faith through the studying of God's Word, as well as of God's work within us, now and until we reach our heavenly home.

Excavating the Evidence for Jesus – The Top-10 List for Easter by Titus Kennedy (ages 8-12) Archaeologist and author Dr. Titus Kennedy explores the scripture, history, archaeology, and evidence for the ancient world surrounding the trial, crucifixion, and resurrection of Jesus Christ. The home base for the series is Dr. Kennedy's research lair, a secret basement where he stores maps, slides, tools, and artifacts from his various excavations and adventures. In addition to teaching with a collection of resources, Titus treks outside his lair for special visits to Israel's archaeology sites and museums. Designed for all ages, Excavating the Evidence is fun and educational, encouraging families to dig deeper into the Gospels together. The resurrection is the most important moment in history, but it is more than an event we remember on Easter Sunday. Join pastor J.D. Greear as he takes a deeper look at Jesus's life, death, and resurrection in the Gospel of Matthew, revealing the ways we should see ourselves in Jesus's story. You Matter More Than You Think by Leslie Parrott

Does your life really matter? At any given time, women may be asking, "Does my life really matter?" Maybe you are stuck at a job that is not rewarding. Maybe you're with your kids all day and feel trapped in a routine. Maybe you're going through a divorce and trying to find your identity. Many women are afraid to open up and share their struggles because we look around and think that everyone else has it all together. In this video Bible study Leslie Parrott shares about her insecurities despite being a best-selling author, wife and mother of two sons. Leslie's on-screen teaching, the testimonies of other women plus the Bible study combine to communicate to women that even in the darkest of moments in life, YOUR LIFE REALLY DOES MATTER. Paul the Apostle by David Nasser

Has anything really changed in 2000 years? Americans live in a culture that places high emphasis on entertainment, achievement and self. It's increasingly difficult for Scriptural Truth to cut through the noise and sink into our hearts. But when we stop and study Scripture, the culture we live in faces the same problems as the early church. In these four video Bible study sessions, David Nasser uses the life of Paul to highlight how followers of Christ can stand up to cultural "norms" and stand firm in Christ. David Nasser teaches from several historical places including the Coliseum, the road to Rome, Mamertime Prison, and more. [Paul the Apostle :: RightNow Media](#)

The Art of Neighboring by Dave Runyon & Jay Pathak

What comes to mind when you think about your neighbors? Maybe you don't know them very well or, if you're honest, maybe you think the lady across the street is a bit weird. For many of us, it can be tempting to keep our distance and mind our own business in our neighborhood. But is that really how God wants us to live? As followers of Jesus, we've been called to love both God and our neighbors. It's easier said than done, but if we push past the fear, time barriers, and pride that can keep us from engaging with others, we can build deep connections with the people in our neighborhood and, most importantly, please God. In this four-session series based on their book *The Art of Neighboring*, Jay Pathak and Dave Runyon help us focus on the people within our neighborhood and learn what it means to be a good neighbor. They discuss the importance of pushing through the uncomfortable feelings that come with communicating, investing in, and caring for the people who live near us. What would our communities look like if we took Jesus's command to love our neighbors as ourselves seriously? [The Art of Neighboring :: RightNow Media](#)
